Traffic Flow

- Please follow the yellow arrows around the perimeter of the big lot to drop off/ pick up your student.
- Do not park. Students will not be allowed to walk out into the parking lot to meet you. This to keep them safe. Many students run out into the parking lot without looking, coming close to being hit by a car.
- If you are checking your student out early or have to walk your child in, please park in the visitor parking (small lot) which is located along Saturn Lane. Please be aware that buses lining up will make entering/leaving the small lot difficult from 3:30-4:15.
